

GOLDBLOCKS
&
THE
THREE BEARS

Once upon a time, there was a little girl named Goldilocks. She went for a walk in the forest. Pretty soon, she came upon a house. She knocked and, when no one answered, she walked right in.

At the table in the kitchen, there were three bowls of porridge. Goldilocks was hungry. She tasted the porridge from the first bowl. She said that this one was very hot.

Later she tasted the second one and she said that this one was really cold.

And finally, she tasted the last bowl, and she said this one was just right.

After eating the three bears breakfast she felt tired so she decided to go to the living room and she saw that there were three chairs. She sat in the first chair to rest her feet.

After, she saw three beds where she decided to go to sleep for a while.

She didn't know that in this house, there were three bears that live there, so she was very quiet.

After two hours the three bears appeared and they saw that someone was sleeping in their beds. Fastly, they went to take a look and they saw that it was a little girl.

They decided to cut in pieces to this little girl and later make a stew with all her body parts.

Suddenly, Goldilocks woke up and she saw that she was bounded in a metal bed.

She began to feel that something was cutting her skin, and she began to shout of pain.

Finally the three bears make the best stew of their lives, and they enjoy it.
